## Presentation Outline: 'Haunted Places in North America'

**Grade: \_\_\_\_\_ / 25**

### **Context & Task**

Halloween is on it's way! What better way to celebrate Halloween than to do a project on haunted places! There are many locations in North America that are considered haunted. It is YOUR JOB to choose 1 'haunted place' in North America and complete a presentation on this location. You will need to do two things:

- 1) Fill out this outline to help you build your presentation later. You will hand in this outline on Monday October 31st.
- 2) Create a Google Slides presentation. You will be presenting your Google Slides presentations on Friday Monday October 31st.

### **STEP 1: Fill out this outline!**

Answer all the questions on the following pages. Write as much detail as possible for each answer. You must use at least 3 sources (websites, books, magazines and newspapers) to help you find your information. Make sure you write down WHERE you found your information (sources). You can do this at the end of this outline.

## **STEP 2: Make a Google slides presentation!**

Using the information from your outline, you will make a Google Slides presentation.

### **How many slides does my presentation have to be?**

I think the presentation should look like this:

- Title slide with your name and the title of your presentation
- 1-2 slides that talk about the name of the haunted location you chose
- 1-2 slides that show WHERE your haunted location is
- 2 maps that show where the story or legends happens or happened
- 2-3 Pictures of the place where the story or legend happened (pictures of the location)
- 1-2 slides that talk about the background of the haunted location
- 2-3 Pictures of the people involved in the story or legend.
- 2-3 slides that talk about why people think this place is haunted, including what people see
- 1-2 Pictures that people have taken that might show any signs of paranormal activity.
- 1-2 slides that talk about any investigations related to the haunted location you chose, including at least 1 picture
- A slide that shows Mr. O'Neill where you got your information from

### **Do I need to have pictures in my presentation?**

YES! Put as many HELPFUL pictures as possible. If you think putting in a picture will help you explain your haunted location better, then put the picture in!

### **Does spelling count?**

YES. I will be checking for spelling, grammar and punctuation. Please make sure you edit your presentation and have another person look over your presentation for mistakes.

### **What if I forget something?**

Make sure you look at your outline as you make your presentation. That way, you won't forget. Also, Mr. O'Neill will give you a 'checklist' to help you remember everything!

**\*\*\*Once your presentation is done, look at the PRESENTATION CHECKLIST & PRESENTATION RUBRIC to make sure you've included everything you need to!**
